

Primary Training in Hyperbaric Medicine

Continuing Education Sample Agenda
Virtual Course
Eastern Time Zone Listed
**YELLOW HIGHLIGHT INDICATED CHT
CATEGORY A CEU**

MONDAY

8:00 am – 9:00 am	Program Introduction: Goals and Objectives: Hyperbaric Medicine’s Current Dynamic by Dick Clarke, CHT
9:00 am – 10:00 am	Hyperbaric Medicine’s Historical Evolution & Chamber Types by Dick Clarke, CHT
10:00 am - 10:15 am	Break
10:15 am - 11:15 am	Clinical Session 1: Orientation to the Hyperbaric Facility
11:15 am – 12:15 pm	Hyperbaric Chamber Fires: Lessons Learnt by Dick Clarke, CHT
12:15 pm – 12:45 pm	Lunch
12:45 pm – 2:00 pm	Physical Aspects of Hyperbaric Medicine by Dick Clarke, CHT
2:00 pm – 4:00 pm	Hyperbaric Physiology: Mechanisms of Action by Lindsie Cone, MD, CHT, FUHM
4:00 pm – 4:15 pm	Break
4:15 pm – 5:30 pm	Hyperbaric Medicine Contraindications and Risk Factors by Lindsie Cone, MD, CHT, FUHM
5:30 pm – 6:30 pm	Implantable Medical Devices by Lindsie Cone, MD, CHT, FUHM

TUESDAY

8:00 am – 9:30 am	Decompression Sickness by Greg Barefoot, PA-C, DMT
9:30 am – 10:30 am	Mandibular Osteoradionecrosis by Dick Clarke, CHT
10:30 am – 10:45 am	Break
10:45 am – 12:00 pm	Radiation-Induced Soft Tissue Injuries by Dick Clarke, CHT
12:00 pm – 12:45 pm	Arterial & Venous Ulcerations: What Role HBO? by Valerie Short Palmer, RN, ACHRN, CWCN, FACCWS
12:45 pm – 1:15 pm	Lunch
1:15 pm – 2:15 pm	Skin Grafts and Skin Flaps by Harold Friedman, MD, PhD, FACS
2:15 pm – 3:45 pm	Medical Aspects of Non-Pulmonary Barotrauma by Dick Clarke, CHT
3:45 pm – 4:00 pm	Break
4:00 pm – 5:00 pm	Coding, Billing, Compliance Issues by Valerie Short Palmer, RN, ACHRN, CWCN, FACCWS, CMBS
5:00 pm – 5:30 pm	A Quality Assurance Plan by Valerie Short Palmer, RN, ACHRN, CWCN, FACCWS, CMBS

WEDNESDAY

8:00 am – 9:00 am	Hyperbaric Chamber Safety by Stacy Handley, RN, BSN, ACHRN, CHT		
9:00 am – 9:15 am	Break		
9:15 am – 10:30 am	Hyperbaric Chamber Emergency Procedures by Stacy Handley, RN, BSN, ACHRN, CHT		
10:30 am – 11:30 am	Clinical Session 2: Hyperbaric Facility Clinical Operations Overview		
11:30 am – 12:30 pm	Diabetic Foot Ulcers: Clinical Evidence; Conflicting Data Reconciliation by Dick Clarke, CHT		
12:30 pm – 1:00 pm	Lunch		
1:00 pm – 2:00 pm	Crush Injuries & Other Acute Ischemia by Michael Strauss, MD, FACS, AAOS, AOFAP, UHM	1:00 pm – 2:00 pm	Nursing Assessment by Stacy Handley, RN, BSN, ACHRN, CHT
2:00 pm – 3:00 pm	Anaerobic and Mixed Soft Tissue Infections by John P. Kirby, MD, MS, FCCWS, FACS	2:00 pm – 3:00 pm	Patient Care by Stacy Handley, RN, BSN, ACHRN, CHT
3:00 pm – 3:15 pm	Break		
3:15 pm – 4:15 pm	Carbon Monoxide & Cyanide Poisoning by Lindsie Cone, MD, CHT, FUHM		
4:15 pm – 4:30 pm	Break		
4:30 pm – 5:30 pm	Cerebral Arterial Gas Embolism by Lindsie Cone, MD, CHT, FUHM		
5:30 pm – 6:15 pm	Exceptional Blood Loss Anemia by Lindsie Cone, MD, CHT, FUHM		

THURSDAY

8:00 am – 9:00 am	Decompression Tables Workshop by Greg Barefoot, PA-C, DMT		
9:00 am – 10:15 am	Transcutaneous Oximetry Testing and Interpretation by Dick Clarke, CHT		
10:15 am – 11:00 am	Transcutaneous Oxygen Testing Practicum by Stacy Handley, RN, BSN, ACHRN, CHT		
11:00 am – 11:15 am	Break		
11:15 am – 12:15 pm	Optimal Management of Diabetic Foot Ulcers by Valerie Short Palmer, RN, ACHRN, CWCN, FACCWS, CMBS		
12:15 pm – 12:45 pm	Lunch		
12:45 pm – 1:45 pm	Multiplace Hyperbaric Chamber Delivery Systems by Dick Clarke, CHT		
1:45 pm – 3:15 pm	Hyperbaric Dosing Guidelines by Dick Clarke, CHT		
3:15 pm – 3:30 pm	Break		
3:30 pm – 4:30 pm	Oxygen Toxicity by Lindsie Cone, MD, CHT, FUHM		
4:30 pm – 6:00 pm	Hyperbaric Medicine Consultation and Case Management by Lindsie Cone, MD, CHT, FUHM		
6:00 pm – 6:30 pm	Central Retinal Artery Occlusion by Lindsie Cone, MD, CHT, FUHM		

FRIDAY

8:00 am – 8:45 am	Chronic Refractory Osteomyelitis by Benjamin Jackson, MD, MBA, FAOA, FACS		
8:45 am – 9:30 am	Sudden Sensorineural Hearing Loss by Dick Clarke, CHT		
9:30 am – 9:45 am	Break		
9:45 am – 10:15 am	Resources for Continuing Education by Dick Clarke, CHT		

Continuing Education Credits
Primary Training in Hyperbaric Medicine Live Audit

Session	Hours	CME Amount (USD)	CNE/CEU Amount (USD) CAT A
A Quality Assurance Plan	0.50	\$17.50	\$8.75
Anaerobic and Mixed Soft Tissue Infections	1.00	\$35.00	
Arterial & Venous Ulcerations	1.00	\$35.00	
Carbon Monoxide & Cyanide Poisoning	1.00	\$35.00	
Central Retinal Artery Occlusion	0.50	\$17.50	
Cerebral Arterial Gas Embolism	1.00	\$35.00	\$17.50
Chronic Refractory Osteomyelitis	0.42	\$14.70	
Clinical Session 1: Orientation to the Hyperbaric Facility	1.25		
Clinical Session 2: Hyperbaric Facility Clinical Operations Overview	1.00		
Coding, Billing, Compliance Issues	1.25	\$43.75	
Crush Injuries & Other Acute Ischemia	1.00	\$35.00	
Decompression Sickness	1.00	\$35.00	\$17.50
Decompression Tables Workshop	1.00	\$35.00	\$17.50
Diabetic Foot Ulcers: Clinical Evidence, Conflicting Data Reconciliation	1.00	\$35.00	
Exceptional Blood Loss Anemia	0.50	\$17.50	
Hyperbaric Chamber Emergency Procedures	1.25	\$43.75	\$21.88
Hyperbaric Chamber Fires: Lessons Learnt	1.00	\$35.00	\$17.50
Hyperbaric Chamber Safety	1.25	\$43.75	\$21.88
Hyperbaric Dosing Guidelines	1.75	\$61.25	\$30.63
Hyperbaric Medicine Consultation and Case Management	1.75	\$61.25	
Hyperbaric Medicine Contraindications and Risk Factors	1.25	\$43.75	\$21.88
Hyperbaric Medicine's Historical Evolution & Chamber Types	1.00	\$35.00	\$17.50
Hyperbaric Physiology: Mechanisms of Action	2.00	\$70.00	
Implantable Medical Devices	1.00	\$35.00	\$17.50
Mandibular Osteoradionecrosis	1.00	\$35.00	
Medical Aspects of Non-Pulmonary Barotrauma	1.50	\$52.50	\$26.25
Multiplace Hyperbaric Chamber Delivery Systems	1.00	\$35.00	\$17.50
Nursing and Treatment Documentation	1.00		\$17.50
Optimal Management of Diabetic Foot Ulcers	1.00	\$35.00	
Oxygen Toxicity	1.00	\$35.00	\$17.50
Patient Assessment	1.00		\$17.50
Physical Aspects of Hyperbaric Medicine	1.00	\$35.00	\$17.50
Radiation Induced Soft Tissue Injuries	1.00	\$35.00	
Resources for Continuing Education	0.50	\$17.50	
Skin Grafts and Skin Flaps	1.00	\$35.00	
Sudden Sensorineural Hearing Loss	0.50	\$17.50	
Transcutaneous Oximetry Testing and Interpretation	1.25	\$43.75	\$21.88
Transcutaneous Oximetry Testing Practicum	0.75		\$13.13

**** BLACK OUT OF PRICING = NOT OFFERED FOR THAT CREDIT TYPE**
